**TACKLING
FOOD WASTE**

Hackathon Highlights

**Learn from
mentors from
a range of
disciplines**

**A chance to
contribute
to a problem
of national
significance**

**Network
with key
stakeholders
and other
students**

**Learn creative
thinking
methods**

**A great addition
to your CV**

Key Notes

This is a team event.

Students may register as a team (with a maximum of 5 members) or individually. Individual applicants will then be allocated to a team.

Capacity is limited.

Registrations will be accepted on a first-come first-served basis.

Participants are expected to be physically present throughout both days.

Light refreshments will be provided.
