

M.Sc. by Research Board of Examiners

PLEASE COMPLETE ALL THE REQUESTED DETAILS

This form is to be signed by the Chairperson after the examination of the dissertation **only** if there are major/significant corrections to be effected to the dissertation.

The Main Supervisor and student are to sign this form **only** if the Board of Examiners decides that corrections are necessary, and **after** the corrections have been effected.

Students are to submit this form to Ms Sharon Cross, Institute of Earth Systems, by the stipulated deadline, together with corrected, final (unbound) copies of the dissertation. After approval by the Board of Examiners, the student must submit final copies of the dissertation **as per guideline 15 of the Style, Format and Submission of Dissertations for M.Sc. by research issued by the Institute of Earth Systems.**
