

UM Ranking in U-Multirank

The University monitors its academic performance on a number of independent ranking systems such as [U-Multirank](#), which compares similar universities on a number of areas. The number of international joint publications and scientific publications has been monitored since 2015.

The 2019 results indicate the fourth consecutive annual percentage increase in such publications, from 59% (2015) to 68% (2019). A more detailed overview of these results is available [here](#).
