

Joining a Zoom meeting from a link URL or meeting ID

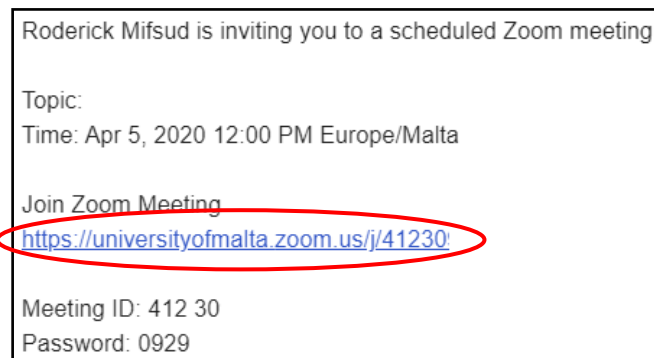

This user guide assumes that you have received a communication from the Meeting host containing a link to a Zoom meeting.

A. Joining with a meeting link URL

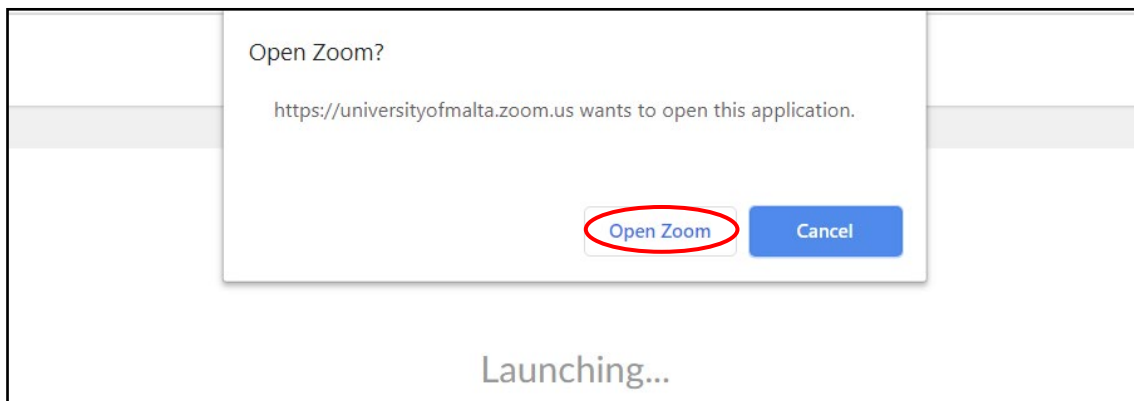

1. If you were provided with a meeting link URL, click on the link to enter the meeting. The meeting link should follow this format:

universityofmalta.zoom.us/j/xxxxxxxx

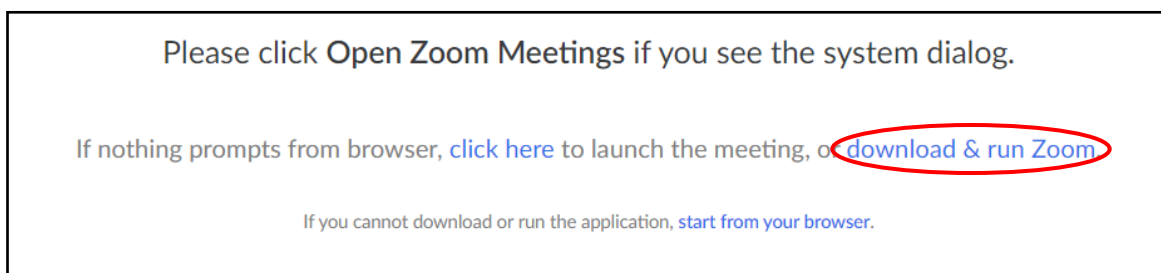

Alternatively, if you received an invitation in an email message, you can locate the meeting link URL under **Join Zoom Meeting**.

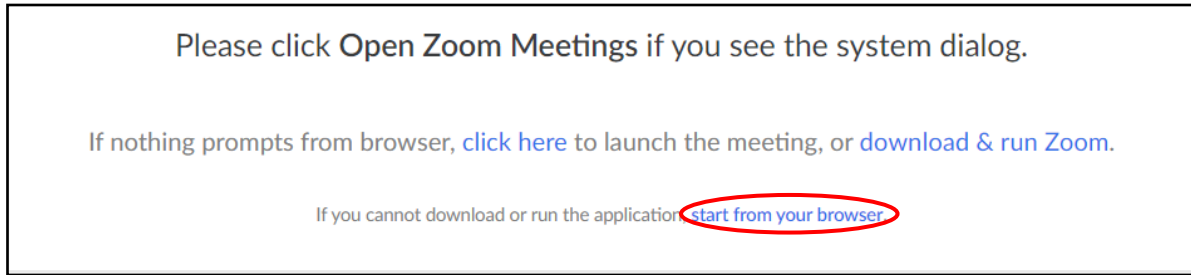

2. Once you click on the meeting link URL, you will be prompted to open Zoom. If you have already downloaded and installed Zoom on your computer, click the **Open Zoom** button.

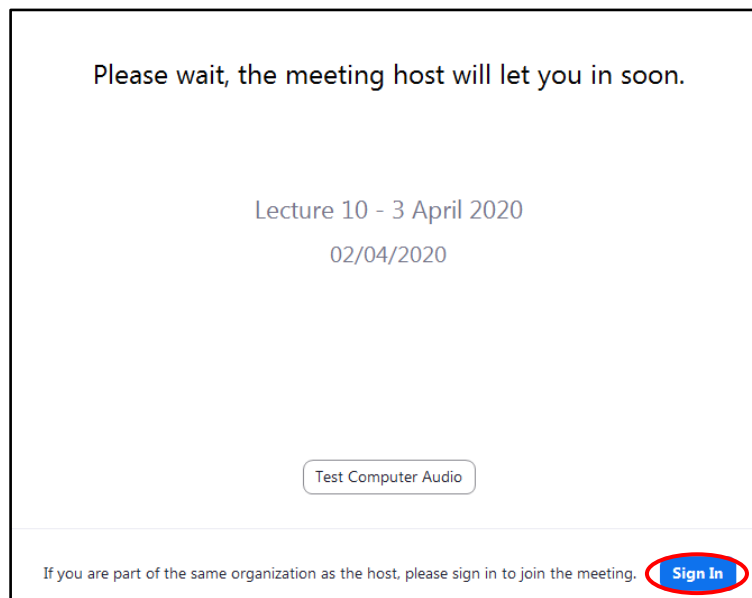

If you have not yet installed Zoom on your computer, click **download & run Zoom**. Refer to our [Downloading and Installing Zoom guide](#) for instructions.

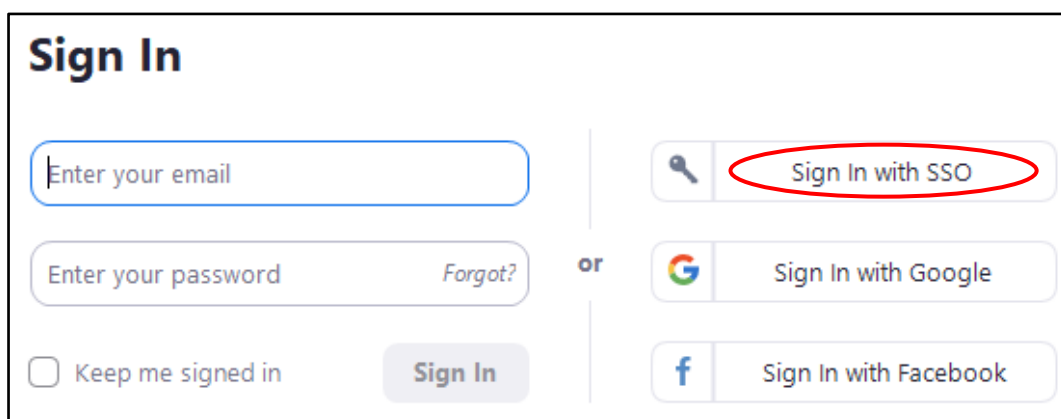

If you cannot download or install Zoom on your computer, click **start from your browser**.

- 3. If you get the below message, you are either not signed in with your **UM IT Account** in Zoom or the meeting’s host needs to let you into the Zoom meeting. Click the **Sign In** button.

- 4. Click the **Sign In with SSO** button

- If this is your first time using Zoom, in the Company Domain field, enter **universityofmalta** and click **Continue**.
