K10 (4 marks)

As a social service worker, you know that you are expected to follow the code of practice. This ensures that Julia gets the service which she deserves. Outline **TWO** from the six principles in the Code of Practice for Social Care Workers. When outlining one should make reference to the case scenario.

Six Principles:
1. As a social service worker, you must protect the rights and promote the interests of service users and their relatives/carers.
2. As a social service worker, you must strive to establish and maintain the trust and confidence of service users and their relatives/carers.
3. As a social service worker, you must promote the independence of service users while protecting them as far as possible from danger or harm.
4. As a social service worker, you must understand the need for service users to take appropriate risks that are necessary for their self-development and wellbeing, whilst seeking to ensure that their behaviour does not harm themselves or other people.
5. As a social service worker, you must uphold public trust and confidence in social care services.
6. As a social service worker, you must be accountable for the quality of your work and take responsibility for maintaining and improving your knowledge and skills.

Principle 1: _____

_____ (2)

Principle 2: _____
