#### Specimen Assessments: Controlled Paper MQF 2-3

SECONDARY EDUCATION CERTIFICATE LEVEL SAMPLE PAPER

**SUBJECT: Economics** 

PAPER NUMBER: Level 2-3

DATE:

TIME: 2 Hours

Answer **ALL** the questions in the spaces provided. There may be more space than you need. Calculators may be used. The total mark for this paper is 100. The marks for each question are shown in brackets. Use this as a guide as to how much time to spend on each question.

#### **Question 1**

(a) The table below is the demand and supply schedule for Jexon cars. Study the table then answer questions (i) to (iii) below.

| Price  | Quantity demanded | Quantity supplied |
|--------|-------------------|-------------------|
| (€)    | Cars/month        | Cars/month        |
| 35,000 | 500               | 1,250             |
| 30,000 | 1,000             | 1,000             |
| 25,000 | 1,500             | 750               |
| 20,000 | 2,000             | 500               |

- (i) On the graph paper below, plot the demand and supply curves ensuring appropriate labelling of the axis and the curves. (4)
- (ii) On the graph paper, indicate with drop lines the equilibrium price and a price at which there is excess demand. (1)
