Kindly note the following in relation to SEC 43 Hairdressing and Beauty Unit 3 Controlled Assessment

#### **Exam Paper**

The allocation of marks for the following questions **should read** as follows:

##### **Question 2a – C4 MQF 1 (page 4)**

The sub-marks in brackets should read **0.4 marks** instead of 0.5 marks for each answer

##### **Question 2b – C4 MQF 2 (page 4)**

The sub-marks in brackets should read **0.5 marks** instead of 0.25 marks for each answer

**Kindly note that the allocation of marks in the Marking Scheme is correct.**

#### **Marking Scheme**

##### **Question 1b – K-3 MQF 2 (page 3)**

The allocation of marks **should be revised** so that **0.5 marks** instead of 0.2 marks are awarded for each correct outline.

##### **Question 2b – C4 MQF 2 (page 4)**

The expected answer in the Marking Scheme is **to be amended** as follows:

- i. chilblains
- ii. bunions
- iii. calluses or corns**
- iv. ingrown nail

##### **Question 2c – C4 MQF 3 (page 4)**

One should ensure that the discussed treatments are linked to the foot and hand disease/disorder recognised in Question 2b, since the example provided is not. The existing answer only provides an indication of the expected depth.

Please ensure that the above changes and clarifications are brought to the attention of the teachers and internal verifiers concerned with this assessment.
