Latin SEC 21 Syllabus	(Not available in September) Paper I (2 hrs): Verse+Prose + Paper II (2 hrs)
----------------------------------	---

Introduction

The syllabus which is here presented has been designed to lead to a teaching syllabus and scheme of examination which will provide:

- (a) a system which differentiates between candidates on the basis of positive achievement rather than failure;
- (b) a system which enables all candidates to gain grades according to their competence.

Aims

The aims of a course in Latin leading to the award of a Secondary Education Certificate should be:

- (a) to form a sound basis of skills, language, and attitudes required for further study;
- (b) to offer insights into the culture and civilisation of Classical Rome;
- (c) to provide enjoyment and intellectual stimulation.

Assessment Objectives

The scheme of assessment will test:

- (a) the candidates' ability to understand Latin in written forms;
- (b) the candidates' ability to produce written material in Latin.

Scheme of Assessment

The examination will consist of two papers of two hours' duration each.

Paper I (100 marks): This paper is to be taken by all candidates. It will consist of two sections: A (verse) and B (prose). Candidates must attempt both sections.

Paper II (100 marks): There will be two versions of this paper: Paper IIA and Paper IIB. Candidates are required to indicate on the registration form which Paper II they wish to sit for. No change in the choice of paper will be allowed after the registration period. Paper IIA comprises more demanding questions than those in Paper IIB.

Results

Candidates sitting for Paper I and Paper IIA may qualify for a grade within the range 1 to 5 (i.e. 1, 2, 3, 4, 5); the results of candidates who do not obtain a Grade 5 shall remain Unclassified (U).
