This study-unit is primarily intended for qualified nurses who work in critical care areas and who are expected to assess, manage and care for critically ill patients and their relatives.

Available for: Qualified Nurses with a minimum of a level 6 qualification and who hold a registration as a first level nurse with the Council for Nurses and Midwives or a regulatory body recognised by the UM. Interested applicants who are not in possession of a level 6 qualification in nursing / health science are encouraged to contact the study-unit coordinator / CPD courses administrator.
Limited to 20 students.

CPD study-unit fee: €400

Practising health care professionals who are interested in enrolling on these study-units are invited to apply between **Thursday 26 October and Friday 24 November. DEADLINE EXTENDED TILL 7 DECEMBER.** Applications may be submitted [here](#). Applicants ought to submit their application as **NEW USERS**.

All applications will be considered on a first come first served basis. Applicants can apply for not more than 30 ECTS credits per semester or up to a maximum of three study-units per academic year if the study-units are part of a full programme.

Important Information

- ❑ It is the applicant's responsibility to make sure that the application is submitted by the deadline indicated above.
- ❑ Commencement of the study-units is subject to the:
 - availability of resources at the time of opening
 - number of qualified applicants

The Faculty of Health Sciences shall attempt to announce the days on which a study-unit is to be held prior to its commencement. However, it cannot be bound by fixed days and times for the duration of the study-unit/s.

This information is correct at the time of publication.

Applicants are to submit the certificate of registration/enrolment for verification purposes immediately following the submission of the online application. A scanned copy of the certificate of registration is to be sent to the following email address by not later than Friday 1 December 2023: cpd.healthsci@um.edu.mt

If the certificate of registration is not submitted by this date, the application will be refused and the place will be offered to the next applicant in line.
