

A comprehensive internal quality assurance framework to monitor and review quality and standards in programmes

Ongoing monitoring and periodic review of programmes

Programme Validation

(First level of scrutiny for quality and standards of programmes)

Annual Programme Reviews

(Reviewing the quality and standards of programmes on a yearly basis to sustain continuous improvement)

Initial Programme Review

(New programmes will undergo a programme review at the end of the first cycle)

Periodic Programme Review

(Programmes will undergo a programme review every 5 to 6 years)
